Each pet entering Canine Care is given a pre-entry exam for fleas and ticks, scratches... If a pet has fleas or ticks, we will treat the pet at owner's expense prior to boarding.

#### WHAT TO BRING FOR BOARDING:

- **All dogs must be current on their shots.** All puppies must have their second set of puppy shots. Good Dog Training School must have a copy of your dog's shot record from your veterinarian.
- Enough food for your dog's stay - (Not necessary to bring a food bowl.)  
We feed a dry kibble mixture. We are happy to feed your dog this or you may keep them on their regular food
- Bedding is optional, we have plenty, but some people prefer a towel or sweatshirt from home.
- You may bring snacks.
- A favorite toy.

We are able to administer medications. Please bring them with you and make us aware of this need at check-in time.

While you are gone our Canine Care will provide a loving, nurturing environment for your doggie. Our homey atmosphere will be less stressful than other boarding alternatives. All dogs will receive individual attention from experienced trainers. We will be promoting good house manners, supervised play, group play (if desired), and lounge and TV time.

Your dog will benefit from Canine Care through socialization, exercise, and experienced supervision. Your dog will be exposed to new dogs and people, building confidence in his ability to meet strange dogs and unfamiliar people. Exercise will help eliminate your dog's boredom and undesired behaviors like chewing and barking. Our experienced eye will be attentive to your dogs physical needs, noticing early if there is a problem, or mental needs, watching for early signs of stress or over stimulation.

#### Doggie Questionnaire
